Q: When will I be able to pick up my bags of cracked pecans?

A: Josh will send you an email to let you know that they are available to be picked up from his office.

Q: What if I picked pecans but I have now decided that I don't want to shell or sell the pecans?

A: For large bags of pecan halves: purchase quart size Ziploc bags. Fill each bag about $\frac{3}{4}$ way full. Seal bag.

For small bags of pecan halves: purchase sandwich size Ziploc bags. Fill each bag about $\frac{3}{4}$ way full. Seal bag.

Q: How much do I sell the large and small bags?

Large bags should be sold for \$8.00

Small bags should be sold for \$5.00

Q: When we collect checks from customers, who do they make their check payable?

A: Customers should make checks to The Brook Church. Please include your (the seller's) name in the memo section of the check.

Q: What do I do once I have sold all my pecans?

A: Collect and count all money. Put all of your money into an envelope. Write your name (student's name) and the words 'Pecan Fundraiser Money' on the envelope. Please turn in your money to the church office. Please make sure you notify Josh when you turn in your pecan money. The money you turn in will be placed into your account for trips, i.e. Big Stuf, Super Summer, mission trip, etc. We are collecting the money based on the honor system so make sure you turn in all your money.

Q: What is the best way to shell the pecans?

A: The pecans will already be cracked. Carefully remove the outer shell from the pecan. If this is done well then you will have two pecan halves. Sometimes you won't have perfect pecan halves. No worries. Use a pick or dinner knife and run it in the center crevice of each pecan half removing all wood-like material. This wood-like material is very bitter and makes the pecans taste bad.
